

apmc even beautiful corporate indian really welfare help n reason
u govt produce state agent work think control new ek said time picture
hai hand going rahe instead huge baat right paid know bjp
flag pay life punjab dont make ndtv ko politics dalalo must provide
decision power live aap tractor share price wish well give n dtv modis say watch
jais single youth seems small year block complete jo agriculture brought issue oppose die let congress workers lot
dood many rally kill now vote economy karne party wrong will kisan love believe anyone come commission opposing yahi poor see ki fool taken
bo always congress flag understand opposition support made kisan middle man men
back msp need bhi done fight day food free ka may chutiya bring nothing
please anti market congresssi freedom desh want protesting anything politician
caa rich read india government one trying political benefit everything misguided ordinance favour farm reach
middle men political benefit everything misguided ordinance favour farm reach
