

pro eat sell new amongst india ka today want time year
available corporate stop market punjab
citizens indian let mandi
going price even similar state great protest
good thing always one come demand agitation msp parties congress
nice modi make use animal wrong passed law percent andolan many people help watch something
already will lie given ke trying data india
take anti bill now
country government bjp
give khalistani divide political ruled freedom benefit option leader satisfaction
middle man everything started hindu sikhs outside system
private trader congress party farm media misleading
